Seminar on Art and Science of Drips by RLCP (7th July 2023)

RLCP (Rashid Latif College of Pharmacy) organized a successful seminar at Arif Memorial Teaching Hospital on 7th July 2023. The seminar titled "Art and Science of Drips: Comprehensive Training on Flow Rate Management" aimed to enhance the knowledge and skills of doctors, nurses, and paramedics in managing flow rates during drip infusions. Dr. Muhammad Affan served as the Moderator, while Dr. Abdul Raheem Malik and Dr. Farha Mehmood were the keynote speakers. Dr. Affan emphasized the importance of the training, citing global research on adverse drug reactions caused by incorrect flow rates. Dr. Farha Mehmood explained the medical significance of flow rates, and Dr. Abdul Raheem Malik conducted training on calculating flow rates for Micro & Macro drips through practical case scenarios. The event was a valuable opportunity for healthcare professionals to improve patient care.

Achievement of Gold Medal (17th July 2023)

Congratulations to Miss Ujala, Lecturer (Pharmacology) at Rashid Latif College of Pharmacy, on her remarkable achievement of winning the Gold Medal in M.Phil Pharmacology from University of the Punjab. Her dedication, hard work, and passion for the subject have truly paid off, and RLCP incredibly proud of her outstanding accomplishment. Her commitment to academic excellence and pursuit of knowledge in pharmacology is commendable and highlights her potential as a future leader in the field. RLCP extend heartfelt appreciation for her academic excellence and wish her continued success in all her endeavors. Well done, Miss Ujala!

Hameed Latif Teaching Hospital (HLTH)

Promoting Green Initiatives (10th August 2023)

Promoting Green Initiatives: A Successful Collaboration Between Rashid Latif Medical College and The Trust School!

We are excited to share an inspiring event that took place at Rashid Latif Medical College, where the Department of Medical Education (DME) played host to the esteemed faculty of The Trust School. The day began with a powerful gesture as Prof. Dr. Mudassar Ali, the respected Vice Principal of Rashid Latif Medical College, ceremoniously planted the very first sapling. Following his lead, Dr. Sadia Yaseen, the Director of DME, joined hands in this noble endeavor and then both the faculty members from The Trust School (faculty members from all the 10 branches) and DME of RLMC actively participated in a plantation drive, each planting a tree with their own hands. This collective effort beautifully highlighted the pivotal role that trees play in preserving our environment and ensuring a sustainable planet for future generations.

Rashid Latif Khan University (RLKU)

One Day seminar on GMP (30th August 2023)

This seminar on GMP held at RLCP proved to be a pivotal moment in the pursuit of pharmaceutical excellence. We were privileged to have Mrs. Sara Asghar, QA Manager from Nova Med Pharmaceutical, grace our seminar as a distinguished guest speaker. Her profound insights and extensive knowledge of GMP in pharmaceutical preparations shed invaluable light on the industry's best practices.

This seminar was an exemplary platform for our students and professionals to delve deep into the world of pharmaceutical manufacturing standards. We extend our sincere gratitude to Mrs. Sara Asghar and all participants for making this event a resounding success.

Rashid Latif Department of Medical Education (DME)

Mastering E-Portfolio (31st August 2023)

The department of medical education conducted a workshop "Crafting your digital persona: Mastering E portfolio" on 31st August, 2023.

The workshop was facilitated by Dr. Sadia Yaseen and Dr. Fatima Sikander. The objective of the workshop was to communicate the importance of Digital Footprint and to prepare the faculty to develop their own e portfolios. We would like to thank Principal Prof. Dr. Tahir Masood Ahmad, Miss. Zulekha Khan and Vice Principal Dr. Mudassir Ali Khan for their entrustment and support in conducting this workshop.
